Motion made by Herman Williams Jr. to approve the purchase of F350 Supercab utility truck for \$30,972.00 with the low bid by Brien Ford.

Questions

Why do we need a Supercab? Maintenance has five staff members. They need to have the ability to transport more than two people at one time. Would we keep the other truck? Yes, the small S10 allows for staff to be at more than one location.

4) Adoption of New Provisions to the Quil Ceda Village Utility & Environmental Services Ordinance No. 13.01.1.

Discussion: John McCoy

The Council and interested parties have been given time to review the additional provisions to Quil Ceda Village Utility & Environmental Services Ordinance No 13.01.1. The updated information is needed. The Village is growing and is adding new customers to the sewer and water departments. Staff is recommending that we adopt this with amendments (as needed).

New Business:

5) Wild Eyes Exotic Animals

Discussion: John McCoy; Stan Jones Sr., Herman Williams Jr.; Don Hatch Jr.

The General Manager has been approached by the Wild Eyes Exotic Animal Company. They would like to lease property within Quil Ceda Village to house the animals and create a natural background for

photo opportunities with some shows available. Wild Eyes believes this could be an attraction for the casino and Quil Ceda Village. This proposal is quite controversial because animals are kept caged and also have to be transported to the viewing site in cages. It would not be good to get in the middle of this kind of controversy. Negative publicity could hurt the Village. Council recommending to tell this company that we are not interested.
