   Motion Carried

Public Safety

3) Marysville Fire Department July Report
   Discussion: Chief McFalls, MFD, Councilmember Gobin
   The Marysville Fire District responded to 165 calls for emergency medical services, 65 of those calls resulted in transports with life support, fire alarm suppression. The calls were due to sprinkler malfunctions and no fires

Village Council Regular Meeting
August 24, 2020
were reported. The average response time for July was 8 min, 46 sec and the average for the year is 8 min, 14 sec. This year has been challenging due to the virus. At the peak months of our outbreak (March and April), we had 42 officers out for virus related needs. Of those 42, only 7 tested positive and the rest were out with virus like symptoms. Our administration offices have also been closed for safety, but we have extra precautionary measures. Staff must have their temperature checked daily, wash their boots and wear coverings, wash their hands when entering our offices/stations. Chief McFalls announced that a new recruit class is coming up with 50 students enrolled and classes will be split up to reduce the class size. Our annual contract is nearing negotiation time, so I am requesting permission to meet with Martin Napeahi to begin 2021 contract terms. Councilmember Gobin thanked Chief McFalls for his work and stated we acknowledge your continued service as you continue to go out and put yourself in harm’s way to help others. We are pleased to continue working together, even while knowing that we are committed to expand our own fire department. As we move toward that goal, it does not mean we will sever our relationship, we will continue to work together. Staff member Jennifer Bontemp asked Chief McFalls if there would be any CPR training available soon. He explains that no future dates have been selected at this time, and explained that The Red Cross may be conducting online training.

4) Tulalip Police Department June & July Report Accepted

Finance
Discussion: Mark Sabo, CFO

5) Finance Report
The budget to actual report is good, this report is through July. Mark explained that there is an impact on expenses with the Tulalip Gaming Organization closure. Cigarette Taxes are up and Fuel Taxes are down.
1:20PM CLOSED SESSION
1:32PM SESSION RESUMED
The MBR upgrade project is still ongoing, the injection upgrade is near completion, and the gas dispenser project was delayed to the virus. This project is to upgrade the chip readers at the dispensers. We are ready to move forward with that now and will have to temporarily close each location for one day.

Human Resources
1:34PM CLOSED SESSION
1:45PM SESSION RESUMED
